

## Information Note

Dear professors,

Dear students,

Considering COVID-19 virus spreading and the additional measures taken by the governments all over the world in what concerns the organisation of international events, we announce you that IOAA for Juniors was postponed.

The newly proposed dates are the 18<sup>th</sup> of July 2020 – the 24<sup>th</sup> of July 2020.

Hoping that all the problems generated by spreading of the COVID-19 virus will be solved by then, we be glad to welcome you to the 1<sup>st</sup> Juniors' International Olympiad of Astronomy and Space Science – IOAA -JR.
